About "Baba's Own"

"Baba's Own" is an entrepreneurial venture of St. Michael's Health Group featuring handmade Ukrainian delicacies. Our pyrohy and other products are carefully handmade in a traditional manner and offer a perfect blend of soft dough and incredibly tasty filling. We use age-old recipes that have been proven over time.

All ingredients are carefully selected, prepared and checked for consistency in quality, texture and taste. We are certain that you will enjoy them!

Specialty items (such as Easter breads) are available seasonally.
