

Memorial Benches

St. Michael's offers families the opportunity to preserve the memory of their loved one by purchasing a Memorial Bench. These benches are located throughout our Silver Trail pathway. They are metal benches with a plaque located on the backrest. These plaques are engraved with messaging of the family's choice.

Memorial benches are available for \$1300 and a tax receipt for the full amount is issued to the donor(s).

There are 4 memorial benches remaining for purchase. 2 are located outside the Millennium Pavilion, one outside the front entrance of the Long Term Care Centre and one on the south side of the Long Term Care Centre.

Donors may choose the location where they would like their bench placed.
